2019 Inc. 5000 List

Inc. 5000

August 2019

In 1982, Inc. introduced the Inc. 500 list of the fastest-growing privately held companies in the United States. Since then, this prestigious list of the nation's most successful private companies has become the hallmark of entrepreneurial success and the place where future household names first make their mark. In 2007, the Inc. 500 list expanded to the Inc. 5000, giving readers a deeper, richer understanding of the entrepreneurial landscape and capturing a broader spectrum of success.

The Inc. 5000 ranks companies by overall revenue growth over a three-year period. All 5,000 honoree companies are individually profiled on Inc.com. Hernon Manufacturing is pleased to have been selected for this list with a rank of 3403 for 104% growth over the last three years.
